Hi Alyssa,

In the upcoming board meeting, Dan asked me to have you add in an item to officially accept the new non-certified sub rate. With the increase in minimum wage at the start of the year, the non-certified rate no longer complies with the state's requirement of $16.35 / hour when serving in a role that requires them to work for 7.25 hours or more. After his original talk to the board, the change would be to go to a daily rate of $125 for the remainder of 2025 and then $130 for 2026 to help remain competitive in the substitute market (up from the current $115).

I am not sure if you need anything else from me for this - if you do, please just let me know!

Thank you!!
Pauline
